The Orissa Minerals Development Co. Ltd.

OMD/GM(T)-HO/EOI/048/10

Date-2.9.2011

Expression of Interest invited from experienced Agencies for providing GPS/GPRS security services in the group of mines of OMDC Ltd. near Barbil, Dist-Keonjhar, Orissa.

(1)(a) Location of mines: Near Barbil, Dist-Keonjhar, Orissa, Pin-758035

- (i) Thakurani Iron & Manganese mines : 778.762Ha
- (ii) Belkundi Iron & Manganese mines : 1276.79Ha
- (iii) Bhadrasai Iron & Manganese mines : 998.70Ha
- (iv) Kolha-Roida Iron & Manganese mines : 254.952Ha
- (v) Dalki Manganese mines : 26.77Ha
- (vi) Bagiaburu Iron mines : 21.52Ha

(b) All the above mines are having open cast mining operations & surface activities like road transport, rail-dispatch through 2 nos. of own Railway siding – TK-1 & TK-2.

(c) All the mines together have capacity production of 2 MTPA Iron ore & Manganese ore which shall be upgraded to 10 MTPA of iron ore & 1 MTPA of Manganese ore.

(2) OMDC has deployed Armed Central Industrial Security Force (CISF) personnel at strategic location. Private security agency is also deployed in certain location of the mines.

(3) Due to allegation of theft of minerals from different mines in the area & in the whole of state of Orissa, to curb the menace, the state Govt. has proposed the mine owners to use latest technology of satellite emissary to check movement of trucks, machinery & men to avert illegal mining. OMDC therefore proposes to provide GPS/GPRS backed survey-alliance system to monitor the mine operations and to prevent unauthorized movement of trucks, machineries & men inside the mines area.

(4) The facility provider should have knowledge of application of modern technology for effective implementation in the open cast mines. The agency has to furnish the details of experience in his/their support to meet the eligibility criteria.
....2..
